Dr. Buchanan introduced the idea of establishing a student chapter of SAA. There was a brief discussion of what the student chapter's mission and goals might be. Ideas included bringing in speakers, arranging special tours, having volunteer days, and expanding on course material.

Dr. Buchanan then explained the requirements of a student chapter, including an archivist or archival instructor as faculty instructor, a governance document, and membership in SAA.

Founding officers were then selected by agreement, though not a formal vote. They are:

President – Jennifer Walker

Vice President – Alora Bauer

Treasurer – Brian Flanagin

Secretary – Erin Niederberger

LISGSA Liason – Katie Wibbenmeyer

Social Media – Dylan Martin

The following action items were identified moving forward:

- Formulate bylaws. Dr. Buchanan and Jennifer will work on this and then run them past the rest of the membership.
- Seek official recognition as a valid student chapter of SAA.
